**Sub: Diversion of 50.731 ha of Forest land in favour of Power Grid Warora Transmission Ltd. for construction and laying of 765 KV D/C transmission line from Gadawara to Warora in Nagpur and Wardha Districts in the State of Maharashtra - regarding.**

Sir,

I am directed to refer to the State Government of Maharashtra's letter no. FLD-3417/CR-201/F-10 dated 23.05.2017 on the above subject seeking prior approval of the Central Government under Section - 2 of the Forest (Conservation) Act, 1980 and Addl. PCCF & Nodal Officer (FCA), Government of Maharashtra's letter dated no. Desk-17/NC/RS-I/ID-12492/(47)/729/17-18 dated 21.06.2017 forwarding additional information as sought by this Office vide its letters of even number dated 13.05.2017 and to say that the said proposal has been examined and recommended by the Regional Empowered Committee constituted under Section - 4 of the Forest (Conservation) Act, 1980.

After careful examination of the proposal of the State Government and on the basis of the approval of the proposal by the Regional Empowered Committee, the Central Government hereby accords 'in-principle' under Section - 2 of the Forest (Conservation) Act, 1980 for diversion of 50.731 ha of Forest land in favour of Power Grid Warora Transmission Ltd. for construction and laying of 765 KV D/C transmission line from Gadawara to Warora in Nagpur and Wardha Districts in the State of Maharashtra subject to the fulfilment of the following conditions:

- (i) Legal status of the diverted forest land shall remain unchanged;
- (ii) Compensatory afforestation over degraded forest land (Zudupi Jungle land and Protected Forests land), twice in extent to the forest land being diverted, shall be raised and maintained by the State Forest Department at the cost of the User Agency;
- (iii) Special protection measures with fencing on both the sides of the road passing through the patches of forest land identified for raising compensatory afforestation should be taken and incorporated into the CA scheme. Revised CA schemes duly incorporating the provisions of protection measures should be submitted to the Regional Office along with the compliance of Stage-I approval.
- (iv) The Zudupi Jungle land, identified for raising CA, identified for raising compensatory afforestation shall be transferred and mutated in favour of the State Forest Department before issue of the Stage-II clearance, if the same has not been mutated and transferred earlier in favour of the State Forest Department;
- (v) If applicable, the Zudupi Jungle land, transferred and mutated in favour of the State Forest Department shall be notified by the State Government as RF under Section-4 or PF under Section-29 of the Indian Forest Act, 1927 or under the relevant Section(s) of the local Forest Act, latest within a period of six months from the date of issue of Stage-II approval. The Nodal Officer shall report compliance in this regard along with a copy of the original notification declaring the non-forest land under Section 4 or Section 29 of the Indian Forest Act, 1927 or under the relevant sections of the local Forest Act, as the case may be, within the stipulated period to the Central Government for information and record;

- (vi) The User Agency shall transfer the cost of raising and maintaining the compensatory afforestation, at the current wage rate, to the State Forest Department. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years;
- (vii) The State Government shall charge the Net Present Value (NPV) of the forest land being diverted under this proposal from the User Agency as per the orders of the Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC dated 05.02.2009 in this regard;
- (viii) At the time of payment of the Net Present Value (NPV) at the then prevailing rate, the User Agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India;
- (ix) All the funds received from the user agency under the project, except the funds realized for regeneration/ demarcation of safety zone, shall be transferred to Ad-hoc CAMPA, through e-challan, in the Saving Bank Account pertaining to the State concerned;
- (x) The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if required;
- (xi) No labour camp shall be established on the forest land;
- (xii) The User Agency shall provide firewood preferably alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;
- (xiii) The boundary of the diverted forest land shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing and distance from pillar to pillar;
- (xiv) No approach road shall be constructed in the forest area for transportation of steel and other material required for the transmission line. As far as possible the User Agency shall use the existing road and the proposed RoW for the transportation of the material and in the event of non-availability of such facilities, the User Agency shall transport material manually without construction of any path.
- (xv) The forest land shall not be used for any purpose other than that specified in the proposal;
- (xvi) The User Agency shall ensure that because of this project, no damage is caused to the wildlife available in the area;
- (xvii) Comments of the PCCF (Wildlife) on special protection measures, if any required to be taken for the conservation and protection of the Wildlife specially Schedule-I species should be obtained and suggestions/recommendations made by the PCCF (Wildlife) should be implemented by the User Agency during the construction of the transmission line. A report on such measures should be submitted to the Regional Office along with the compliance report of Stage-I approval.
- (xviii) Width of right of way for the transmission line shall be limited to 67 meters;
- (xix) The layout plan of the proposal shall not be changed without the prior approval of the Central Government.
- (xx) The forest land proposed to be diverted shall under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government;
- (xxi) The user agency shall install circuit breakers at suitable places besides maintain necessary ground clearance to prevent electrocution of wild animals;
- (xxii) Felling of trees shall be restricted to 3038 trees. Any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;
- (xxiii) To minimize the felling for construction of transmission line, user agency shall comply with the following guidelines:
- (a) Below each conductor, width clearance of 10 mts. would be permitted for carrying the tension stringing equipment. The trees on such strips may be felled but after stringing work is completed, the natural regeneration will be allowed to come up.
- (b) One outer strip may be left clear to permit maintenance of the transmission line;

- (c) In the remaining width the right of way felling/pollarding/pruning of trees will be done with the permission of the local forest officer whenever necessary to maintain the electrical clearance, trees shall be allowed to be felled or lopped to the extent required, for preventing electrical hazards by maintaining the minimum 9.0 meter clearance between conductors and trees. The sag and swing of the conductors are to be kept in view while working out the minimum clearance mentioned as above;
- (d) User agency in consultation with the State Forest Department prepare a detailed scheme for creation and maintenance of plantation of dwarf species (preferably medicinal plants) in right of way under the transmission line, and provide funds for execution of the said scheme to the State Forest Department; and
- (e) In case a portion of the transmission lines to be constructed is located in hilly areas, where adequate clearance is already available, trees shall not be cut;
- (xxiv) The user agency in consultation with the State Government shall create and maintain alternate habitat/home for the avifauna, whose nesting trees are to be cleared in this project. Bird's nests artificially made out of eco-friendly material shall be used in the area, including forest area and human settlements, adjoining the forest area being diverted for the project;
- (xxv) The State Government shall ensure that settlement of rights, in terms of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, has been completed in accordance with the Guidelines issued by the MoEF&CC in this regard;
- (xxvi) The User Agency shall submit six monthly self-compliance reports as on 1<sup>st</sup> January and 1<sup>st</sup> July of every year to this office as well as to the Nodal Officer of the State;
- (xxvii) The State Government shall monitor compliance of conditions of Forest Clearance and shall submit in this regard yearly report as on 31<sup>st</sup> December of every year;
- (xxviii) Any other condition that the concerned Regional Office of this Ministry may stipulate, from time to time, in the interest of conservation, protection and development of forests & wildlife;
- (xxix) The User Agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project; and
- (xxx) Grant of working permission to the extant proposal may be considered by the State Government in accordance with the provisions as contained in the MoEF&CC's Guidelines dated 28.08.2015.

After receipt of a report on the compliance of conditions no (iii), (iv), (vi), (vii), (ix), (xvii), (xxiii)(d) and undertakings, duly authenticated by the competent authority in the State Government, in respect of all other conditions, from the State Government, formal approval will be considered in this regard under Section-2 of the Forest (Conservation) Act, 1980.

Yours faithfully,

  
(Charan Jeet Singh)
