

Clarification No IV dated 21.05.2026 for Rate Contract for Control and Protection Panels Package: CRP-02 consisting of CRP, SAS & PMU associated with Rate Contract for Substation Equipment's for implementation of Bay Extension works. Spec. No. CC/NT/W-MISC/DOM/A00/26/03365

Sr. No.	Clause reference	Provision in Specification	Bidders's Query	POWERGRID'S Clarifications
1	GCC Clause 11 & SCC Clause 23	GCC 11: 11.1 The copyright in all drawings, documents and other materials containing data and information furnished to the Employer by the Contractor herein shall remain vested in the Contractor, if they are furnished to the Employer directly or through the Contractor by any third party, including supplies of materials, the copyright in such materials shall remain vested in such third party. The Employer shall however be free to reproduce all drawings, documents and other material furnished to the Employer for the purpose of the Contract including, if required, for operation and maintenance. 11.2 The copyright in all drawings, documents and other materials containing data and information furnished to the Contractor by the Employer herein shall remain vested in the Employer. SCC Point No. 23: Supplementing the GCC Clause 11 with the following: Notwithstanding the provisions of Clause GCC 11.1 above, the copyright in all drawings, documents and other materials containing data and information for design(s) which have been developed by the Contractor or by any third party under the Contract shall remain vested in the Employer, for the material and in the manner as detailed in the Technical Specification, Vol II of the Bidding Documents.	We understand from the Vol-II Technical Specification document that the tender requires copyright in favour of the Employer only for civil construction related drawings, documents, and other materials containing data. Accordingly, this requirement does not appear applicable to the current tender. Therefore, we assume that SCC Point No. 23 is not applicable for this bid, and GCC Clause 11 shall instead apply. Kindly confirm.	In accordance with the provisions of SCC Clause No. 23, the copyright in all drawings, documents, and other materials containing data and information shall vest with the Employer, strictly as per the scope and manner specified in the Technical Specifications (Vol-II) of the Bidding Documents. However, for the subject package (CRP-02), it is noted that no specific copyright provisions have been stipulated in the Technical Specifications (Vol-II). Accordingly, the applicability of copyright shall be governed as per SCC Clause No. 23 read in conjunction with the Technical Specifications.
