

Clarification No-3 dated 16/04/2026 to Volume-I of the Bidding Documents for 765kV Reactor Package 7RT-29-BULK for procurement of 14 x 80 MVAR, 765kV 1-Ph Reactors under Bulk procurement of 765kV & 400kV class Transformers and Reactors of various capacities (Lot-7); Spec. No.: CC/NT/W-RT/DOM/A02/26/02845

Sr. No.	Ref. document	Provision of the Bidding Documents	Bidder's Query/ Observation	POWERGRID's reply/ Clarification
1	Amendment No-2 dated 09/04/2026 to the Bidding Documents Revised Attachment-21	<p>.....</p> <p>That the 'Local Content 'as defined in the PPP-MII order and MoP order in the goods/services/works supplied by me for 765kV Reactor Package 7RT-29-BULK for procurement of 14 x 80 MVAR, 765kV 1-Ph Reactors under Bulk procurement of 765kV & 400kV class Transformers and Reactors of various capacities (Lot-7). Specification no.: CC/NT/W-RT/DOM/A02/26/02845 is [Fill in the percentage of Local Content] percent (%).</p> <p>.....</p>	<p>The minimum applicable local content % shall meet as per requirement to be provided.</p> <p>PI confirm.</p>	<p>In this regard, the provisions of the Bidding Documents inter-alia at ITB/ BDS clause 2.1 are amply clear.</p>
2		<p>.....</p>	<p>At the initial stage of tender quoting, the actual break-up of desired cost as per a, b, c not available with bidder.</p> <p>After receipt of PO, the breakup details shall be provided during material procurement activity.</p> <p>PI confirm.</p>	<p>In line with the Public Procurement (Preference to Make in India) [PPP MII] Order, bidders are required to furnish to the Procuring Entity the cost of locally sourced imported items (inclusive of taxes) along with break-up on license/royalties paid/technical expertise cost etc. sourced from outside India. These items are to be excluded from calculation of Local Content. Kindly refer to PPP-MII order dated 19/07/2024 for more details.</p>
3		<p>.....</p> <p>That the cost of locally sourced imported items (inclusive of taxes) along with breakup of license/royalties paid/technical expertise cost etc. sourced from outside India for 765kV Reactor Package 7RT-29-BULK for procurement of 14 x 80 MVAR, 765kV 1-Ph Reactors under Bulk procurement of 765kV & 400kV class Transformers and Reactors of various capacities (Lot-7). Specification no.: CC/NT/W-RT/DOM/A02/26/02845 is as given below</p> <p>a. Cost of Imported items sourced locally from resellers /distributors (inclusive of taxes) is Rs.....</p> <p>b. Cost of the license fees /royalties paid/technical charges paid out of India is Rs.....</p> <p>c. Cost of Procurement / supply of repackaged / refurbished/rebranded imported products is Rs.....</p> <p>.....</p>	<p>Bidder understands that the values to be declared under sl. No. a, b & c in the referred clause are related to the local content calculation. In case bidder has not considered these items/components as part of local content for calculation and declaration of minimum local content, the values shall be declared as 'NIL'.</p> <p>Kindly confirm our understanding.</p>	<p>Accordingly, bidders are required to declare the said details in Attachment 21 of their bid, based on the costing considered by them for the subject package at the time of bidding. The cost of these items are to be declared even if they have not been considered as part of Local Content but are sourced by the Bidder for the subject package. In case the Bidder does not source such items for the subject package, then their cost may be declared as 'NIL'.</p>
4		<p>.....</p>	<p>As the tender documents, along with all required attachments, are prepared well in advance of the bid submission deadline, the final price determination is carried out only 1 to 2 days prior to the actual submission date. Hence, it becomes operationally to accurately state the total bid value in the beginning bid preparation process.</p> <p>We hereby request PGCIL to accept a range expressed in percentage (%) in place of the absolute total cost figure.</p>	<p>Further, bidders shall ensure their compliance with the provisions of the PPP MII Order read in conjunction with the Ministry of Power (MoP) Order during execution of the Contract, including, inter alia, maintaining their declared local supplier classification in accordance with the above referred Orders.</p>
