SECTION – 1: INTRODUCTION

1.0 Purpose of this EoI

1.1 POWERGRID intends to enter into one or several Contract(s) with empaneled contractors. Enquiries from empaneled contractors will be sought to place orders for procurement of services based on the requirement from time to time, as per POWERGRID's choice.

1.2 The Applications to this EoI shall, inter-alia, include qualification data to the stipulated QR for empanelment of contractors.

Application shall be submitted as per Section–2: Instructions to Applicants. For ascertaining compliance to the stipulated Qualification requirements of the Applicants, as per Section- 3, the Applicants are required to furnish all the requisite information/ details/data/ documentary evidences in support of the stipulated requirements.

1.3 Notwithstanding above, POWERGRID reserves the right to carry out the assessment of the capacity and capability of the Applicants prior to empanelment. This assessment shall inter-alia include (i) document verification; (ii) details of works executed, works in hand, anticipated in future & the balance capacity available; (iii) manpower and financial resources; (iv) past experience and performance; (v) customer feedback; (vi) banker's feedback etc

1.4 The Applicants meeting the stipulated Qualification Requirements shall be considered for Rate Contract subject to the condition that they are found suitable on assessment, if carried out as per para 1.3 above.

1.5 In context to this EoI, "Applicant" and "Bidder" shall have the same meaning.
