A.	**Volume-I: Conditions of Contract [Document Code : DC-3068-15718]**			
1.	09-Section - VI Forms and Procedures – Terms of Payment	---------- ---------- ---------	As per bidding document, the subject work is being undertaken by Employer under deposit basis from Owner. Please inform us the status of funding for this project as the payment shall be made from the funds received from THDC India Limited. Further please elaborate in the event the payment shall be made on any milestone activities	The payment under the Contract shall be made strictly out of the funds received from Owner (THDCL). POWERGRID has separately tied up with THDCL for smooth flow of fund under the project. The payment under the Contract for subject package shall be made as per 'Terms and Procedures of Payment' stipulated at Appendix-I, Section-VI of Bidding Documents.
2.	09-Section - VI Forms and Procedures – Terms of Payment	"D2. Ten percent (10%) of total Installation price component (excluding the price component for survey) shall be paid in three equal parts, each on physical construction of 1/3rd of the Transmission Line section including liquidation of defects/deficiencies on the line section and certification of the same by Employer's representative and on submission of GST invoice."	Under D2. - Ten percent (10%) of total Installation price component is being paid on physical construction of 1/3rd of the line. These are balance works and involving local issues, linking this payment on completion will have huge negative cash flow in the project and almost 20% including final payment will be released at the end of the project. Please allow these payments along with progress payment D1.	Payment Terms as per the Provisions of Bidding Documents shall remain un-changed.
