Sl. No.	GCC Clause Ref. No.	Amendment/Supplement to GCC
		<p>after leaving out those CCIEs which are unavailable due to work load or any other reason as maintained by Central Electricity Authority (CEA).</p> <p>iv) The Conciliation process shall be conducted under Part III of the Arbitration and Conciliation Act, 1996.</p> <p>v) The Conciliation Committee would either be able to resolve and settle the dispute(s) between the parties, or the process may fail.</p> <p>vi) In the event of the conciliation proceedings being successful, the parties to the dispute would sign the written settlement agreement and the conciliators would authenticate the same. Such settlement agreement would then be binding on the parties in terms of Section 73 of the Arbitration and Conciliation Act, 1996.</p> <p>vii) After successful conclusion of Conciliation, proceedings, the Parties to the conciliation process, have to undertake and complete all necessary actions for implementation of the terms of settlement within a period of 30 days from execution of settlement agreement, unless a different timeline not exceeding 60 days is agreed upon in settlement agreement. All pending claims of parties, in connection with the dispute, before any other legal forum are to be withdrawn within the said 30 days in pursuance of the settlement agreement.</p> <p>viii) In case of failure of the conciliation process at the level of the Conciliation Committee, the parties may withdraw from conciliation process and take recourse to the laid down legal process of Courts. However, the option of Arbitration would not be available once the conciliation mechanism has been exercised.</p>
77.	GCC 40.5	In cases of disputes pending before the Arbitration Tribunals or the Courts, both of the parties (i.e. Employer and Contractor) need to agree to explore the possibilities of conciliation through the

		<p>Conciliation Committee of Independent Experts. In case of such agreement, an appropriate reference shall be made to the Conciliation Committee, upon which the Committee shall proceed to examine such reference(s). The option of resolution through conciliation through CCIE would be open only in the event of the parties withdrawing from arbitration proceedings and undertaking to forego their rights to proceed for further arbitration in the subject matter. However, other legal remedies would be open to the parties in the event of the conciliation proceedings not being successful.</p>
78.	GCC 40.6	<p>During settlement of disputes and conciliation proceedings, both parties shall be obliged to carry out their respective obligations under the Contract.</p>
79.	GCC 41	<p>Following clause has been added after Clause 40 -</p> <p>Contractor's Claims</p> <p>If the Contractor considers himself to be entitled to any additional payment, under any Clause of these Conditions or otherwise in connection with the Contract, the Contractor shall submit a notice to the Project Manager, describing the event or circumstance giving rise to the claim. The notice shall be given as soon as practicable, and not later than 28 days after the Contractor became aware, or should have become aware, of the event or circumstance, unless otherwise specified.</p> <p>If the Contractor fails to give notice of a claim within such period of 28 days, the Contractor shall not be entitled to additional payment, and the Employer shall be discharged from all liability in connection with the claim. Otherwise, the following provisions of this Sub-Clause shall apply.</p> <p>The Contractor shall also submit any other notices which are required by the Contract, and supporting particulars for the claim, all as relevant to such event or circumstance.</p>

Sl. No.	GCC Clause Ref. No.	Amendment/Supplement to GCC
		<p>The Contractor shall keep such contemporary records as may be necessary to substantiate any claim, either on the Site or at another location acceptable to the Project Manager. Without admitting the Employer’s liability, the Project Manager may, after receiving any notice under this Sub-Clause, monitor the record-keeping and/or instruct the Contractor to keep further contemporary records. The Contractor shall permit the Project Manager to inspect all these records, and shall (if instructed) submit copies to the Project Manager.</p> <p>Within 42 days after the Contractor became aware (or should have become aware) of the event or circumstance giving rise to the claim, or within such other period as may be proposed by the Contractor and approved by the Project Manager, the Contractor shall send to the Project Manager a fully detailed claim which includes full supporting particulars of the basis of the claim and of the additional payment claimed. If the event or circumstance giving rise to the claim has a continuing effect:</p> <ul style="list-style-type: none"> (a) this fully detailed claim shall be considered as interim; (b) the Contractor shall send further interim claims at monthly intervals, giving the accumulated delay and/or amount claimed, and such further particulars as the Project Manager may reasonably require; and (c) the Contractor shall send a final claim within 28 days after the end of the effects resulting from the event or circumstance, or within such other period as may be proposed by the Contractor and approved by the Project Manager. <p>The Project Manager may agree with the Contractor or estimate:—different additional payment (if any) to which the Contractor is entitled under the Contract:</p> <p>The payments in respect of such claims shall be settled once in a quarter, unless otherwise specified.</p>
