KSK Mahanadi Power Co. Ltd
8-2-293/82/A/431/A, Road No. 22,
Jubilee Hills, Hyderabad, 500033
Telangana

Dear Sir,

Sub: Modification to the "Notice dtd 24.12.2018 for Regulation of power supply" for default of M/s KSK Mahanadi Power Co.Ltd (KSK Mahanadi) in making payment of dues.

Ref: 1. Our Notice Ref : CC/Comml./ROP-KSK/2018 dated 24.12.2018 for Regulation of Power Supply for default of M/s KSK Mahanadi for default of payment of dues.
2. Our letter dated 15.11.2018 on liquidation of outstanding dues
3. Transmission Service Agreement dtd 05.12.2012

1. This is in continuation of our Notice dtd 24.12.2018 (Refer 1 above) for regulation of power supply of M/s KSK Mahanadi (for 1000 MW) for default in liquidating the outstanding dues.
2. As on date, the regulation of power supply of 1000 MW is under implementation through Western Region Transmission Corridor to Southern Region Transmission Corridor (400 MW) and to Northern Region Transmission Corridor (for 600 MW), however, it may be mentioned that KSK Mahanadi did not make substantial efforts to liquidate the outstanding dues. As on date, the total outstanding dues have grown up to a huge amount of Rs 455.83 Cr. out of which an amount of Rs 198.58 Crs. has exceeded 60 days. .
3. CTU has been mandated with the responsibility of Billing, Collection and Disbursement of transmission charges collected from all the DICs to respective ISTS licences in the country. Such huge outstanding dues as brought out above are seriously affecting the cash flows of all the ISTS Licensees and causing adverse impact on the ability to carry on as a business enterprise and to fulfil loan repayment liabilities towards creation of transmission assets.
4. Regulation 4 of CERC (Regulation of Power Supply), 2010 reads as under:-
"In case of outstanding dues or in case the letter of credit or any other agreed Payment Security Mechanism is not maintained as per the Agreement, the generating Company or the transmission licensee, as the case may be, may serve a notice for regulation of power supply, on the Defaulting Entity, for reducing the drawl schedule in the case of the generating company or withdrawal of open access / access to Inter-State Transmission System in the case of the transmission licensee."

5. Further, it may be informed that as per CERC order dtd 02.09.2015 under Pet. No. 142/MP/2012, during the period of Regulation of Power Supply, the STOA to the defaulter shall also be curtailed. The relevant portion of the CERC Order dtd 02.09.2015 is reproduced below:-

"During the period of regulation of power supply, for defaults in payment of transmission charges, STOA to the regulated entity shall be denied by NLDC/RLDCs under Regulation 25A of Open Access Regulations from the date of commencement of regulation of power supply..."

6. As per the provisions of **Regulation 4 of CERC (Regulation of Power Supply) Regulation 2010, provisions of BCD procedure** approved by CERC and terms of TSA, the CTU is constrained to issue this "Notice for Regulation of Power Supply" in view of default of KSK Mahanadi in liquidating the dues.
7. Accordingly, in case of failure of M/s KSK Mahanadi to clear the outstanding dues (>60days) latest by **28.01.2019**, the existing regulation of power supply of M/s KSK Mahanadi through their Long Term Access / MTOA, which is already under implementation, shall be modified from 1000 MW to 1300 MW as per the following :-

• Quantum of power to be regulated	:	1300 MW of power injected by KSK Mahanadi to ISTS network
• Enhancement of Regulation of supply (From 1000 MW to 1300 MW)	:	From 00.00 Hrs of 31.01.2019
• Period of Regulation of Power supply	:	Initially for 2 months or till clearing of the entire dues outstanding for more than 60 days.
• Source of regulation of Power Supply	:	The generation plant of KSK Mahanadi located in Chattisgarh.
<ul style="list-style-type: none"> • The regulation of power shall be carried out through Western Region Transmission Corridor (for 1300MW) to Southern Region Transmission Corridor (for 650 MW - 325 MW each to Andra Pradesh and Tamil Nadu) and to Northern Region Transmission Corridor (for 650 MW). • All other liabilities of KSK Mahanadi shall be as per the provisions of CERC Regulations 		

8. Through a copy of this Notice, WRLDC is being requested to implement the revised plan for Regulation of Power Supply of KSK Mahanadi & implement the same w.e.f. **00:00 Hrs. of 31.01.2019**.

:: 3 ::

9. In view of above, it is advised to liquidate the outstanding dues greater than 60 days as per above latest by 28.01.2019 (by 4.30 PM) failing which regulation of power supply shall be enforced as stipulated above.

Thanking You,

Yours faithfully,

Chief General Manager (Commercial)

CC:

1.	Executive Director Western Regional Load Despatch Centre, POSOCO F-3, MIDC Area, Marol, Andheri(East), Mumbai - 400093	With a request to prepare the implementation plan for Regulation of power supply of KSK Mahanadi from its generation plant in Chattisgarh and implement the same as per CERC (Regulation of Power Supply) Regulations, 2010.
