Ref: CC/Comml/MPPMCL-ROP/2021/1

Dtd : 04.03.2021

To,  
The Managing Director,  
MP Power Management Company Limited  
Shakti Bhawan, Rampur  
Jabalpur - 482008  
Madhya Pradesh

Dear Sir,

**Sub: "Notice for Regulation of Power Supply" for default of MP Power Management Co. Ltd (MPPMCL), Madhya Pradesh in making payment of outstanding dues.**

Ref: Our letter ref: CC:Comml:MPPMCL: dtd 04.02.2021 on clearing of outstanding dues.

1. MPPMCL, Madhya Pradesh is a Designated Inter-State Transmission System Customer (DIC) which is availing Inter-state Transmission System (ISTS) network for transfer of power from various power plants located in different parts of country to Madhya Pradesh and is under obligations to make timely payment of transmission tariff and to open requisite Letter of Credit (LC) towards Payment Security Mechanism (PSM) in line with Electricity Act 2003 read with relevant contractual provisions and CERC Regulations.
2. It is, however, a matter of serious concern that MPPMCL is failing to make payment against the monthly bills raised on it towards transmission tariff despite regular follow-up by CTU. As a consequence, total dues of MPPMCL have accumulated to Rs. 851.34 Cr as on date, out of which an amount of Rs. 308.74 Cr. is outstanding for > 45 days (the same amount of Rs.308.74 Cr has even crossed 60 days) based on the bills already raised by CTU.
3. CTU has been mandated with the responsibility of Billing, Collection and Disbursement of transmission charges towards ISTS licences from all the DICs. Such huge outstanding dues as brought out above are seriously affecting the cash flows of all the ISTS Licensees and causing adverse impact on the ability to carry on as a business enterprise and to fulfil loan repayment liabilities towards creation of transmission assets.
4. Regulation 4 of CERC (Regulation of Power Supply), 2010 reads as under:-

*"In case of outstanding dues or in case the letter of credit or any other agreed Payment Security Mechanism is not maintained as per the Agreement, the generating Company or the transmission licensee, as the case may be, may serve a notice for regulation of power supply, on the Defaulting Entity, for reducing the drawl schedule in the case of the generating company or withdrawal of open access / access to Inter-State Transmission System in the case of the transmission licensee. ...."*

::2::

5. In above regard, attention is invited to various correspondence issued by CTU, as referred above, which demonstrates the default of MPPMCL in payment of legitimate dues. As per the provisions of **Regulation 4 of CERC (Regulation of Power Supply) Regulation 2010, provisions of BCD procedure** approved by CERC and terms of TSA, the CTU is constrained to issue this "Notice for Regulation of Power Supply".
6. Accordingly, in case of failure of MPPMCL to clear the outstanding dues >60 days by **13.03.2021**, the regulation of power supply of MPPMCL through their Long Term Access shall be effected as follows:-

• Quantum of power to be regulated	:	600 MW of power drawl of MPPMCL from ISTS network
• Commencement of Regulation of power supply	:	From 00.00 Hrs of 19.03.2021
• Period of Regulation of Power supply	:	Initially for 2 months or till clearing of the entire dues outstanding for >60 days
• Source of regulation of Power Supply	:	To be regulated from various power plants of NTPC from which MPPMCL has allocation of power under Long Term Access, the quantum from different plants of NTPC may be decided by WRLDC based on merit order of despatch.
• The regulation of power shall be carried out through Western Region Transmission Corridors.		
• All other liabilities of MPPMCL shall be as per the provisions of CERC Regulations		

7. Further, as per Para 59(c) of CERC Order dtd 02.09.2015 under Pet. no. 142/MP/2012, this calls for curtailment of Short Term Open Access (STOA). The relevant portion of the said CERC Order dtd 02.09.2015 is reproduced below:-

*"During the period of regulation of power supply, for defaults in payment of transmission charges, STOA to the regulated entity shall be denied by NLDC/RLDCs under Regulation 25A of Open Access Regulations from the date of commencement of regulation of power supply....."*

8. Through a copy of this Notice, WRLDC is being requested to prepare an implementation plan for Regulation of Power Supply of MPPMCL & implement the same w.e.f. 00:00 Hrs. of **19.03.2021** upon confirmation by us on 15.03.2021.
9. In view of above, it is requested to liquidate the outstanding dues greater than 60 days by **13.03.2021** failing which regulation of power supply shall be enforced as stipulated above.

Thanking You,

Yours faithfully,

(J. Mazumder)

Chief General Manager (Commercial), CTU

CC.

1. Executive Director  
Western Regional Load Despatch  
Centre, POSOCO, F-3, M.I.D.C.  
Area, Marol, Andheri (East),  
Mumbai-400093  
With a request to prepare, the implementation plan for Regulation of power supply of MPPMCL, Madhya Pradesh and implement the same as per CERC (Regulation of Power Supply) Regulation, 2010. *For the proposed regulation of power from various Power plants of NTPC from which MPPMCL has allocation of power under Long Term Access, the quantum from different plants of NTPC may be decided by WRLDC based on the merit order of despatch.* Indemnification bond furnished earlier holds good for subject Regulation of power supply of MPPMCL.
