Sub: **Information under Right to Information Act, 2005.**

Dear Mr. Ramchandrar,

This has reference to your letter dated 22nd October, 2013 (received on 24th October, 2013) seeking information under RTI Act, 2005.

It may be mentioned that transmission line planning is an ongoing process and procurement activities for transmission lines are planned depending upon future generation/ strengthening requirement.

The transmission projects are agreed to be implemented by POWERGRID either in Standing Committee or through Tariff Based Competitive Bidding. The tendering activities of such projects are taken up as per the required schedules. Therefore, projecting the tendering schedule and furnishing the details thereof, on futuristic basis is presently not feasible.

However, POWERGRID publishes the details of tenders for packages under procurement along with respective bid documents in our website www.powergridindia.com as and when the procurement is required for ongoing/upcoming projects.

Thanking You.

भवदीय,
