Sir,

Sub:-Information called for under Right to Information Act 2005 - reg.

I am filing an application for providing information under Right to Information Act, 2005 on the following matters.

- 1) Quantum of TTC,ATC and Reliability Margin adopted from New Grid to SR for each month from Jan 2014 to Dec 2015 along with detailed 'TTC and ATC' calculation statement, and the basis of declaring the same including the criterion adopted for fixing the reliability margin.
- 2) The details of the total LTOA and MTOA allocated for each month specifying quantum allotted which are scheduled for expiry during the period from January - 2014 to June 2016, indicating whether such redeemed transmission capacity has been considered for the ATC calculation, with reason thereof.
 - Name of the applicant
 - Injection point (region)
 - Delivery Point and buying entity
 - Start date
 - End date.
 - Date of application
 - Date of sanction(Allocation)

Sh Babu
25/12/14
14/12/14

3) Details of LTOA and MTOA applications pending as on 31.01.2014 for transfer of power from New grid to SR and S1 to S2 including the following.

- Name of the applicant
- Injection Point (region)
- Delivery point and buying entity
- Start date
- End date
- Date of application

4) Details of inter regional (between New Grid & SR) transmission system (including new and system strengthening works) expected to be commissioned from January-2013 to December-2017 including the following.

- Name of the transmission system
- Name of the transmission licensee executing the work.
- Date of sanctioning of work.
- Expected date of commissioning
- Enhancement in TTC and ATC expected due to commissioning of each work.
- Details of down stream works proposed along with the main transmission system and its present status.

5) Details of the transmission system (including new and system strengthening works) expected to be commissioned inside SR (S1 to S2), from jan 2014 to Dec 2017 including the following.

- Name of the transmission system
- Name of the transmission licensee executing the work
- Date of sanctioning of work
- Expected date of commissioning

- Enhancement in TTC and ATC expected due to commissioning of each work.
- Details of down stream works proposed along with the main transmission system and its present status.

I am enclosing herewith a Postal order worth Rs 20/- as documentary fee for the above. An early reply is highly appreciated.

Thanking You in anticipation.

Yours Faithfully
