Dear Sir,

I request you to provide the following information in regard to power received at the grid at 132/33 KV Jadugora Grid, ICHHRA, East Singhbhum situated in the state of Jharkhand.

As per my understanding there is huge revenue loss to the Government as because the amount of electricity received at the grid at 132/33 KV Jadugora Grid, ICHHRA, is not equal to the revenue received, as per my understanding. So I request you to give the detail of the Power received at the grid at Jadugora for last 5 years on monthly basis i.e., starting from 01-04-2009.

Further, I also request you to kindly give specific information about Power distribution from Jadugora Substations to POTKA Sub-Station at 33/11 KV Power Sub-station, POTKA, East Singhbhum, Jharkhand and HATA Sub-Station at 33/11 KV Power Sub-station, HATA, PO Juri, East Singhbhum, Jharkhand for last 5 years on monthly basis i.e., starting from 01-04-2009.

### Information Sought :

These sets of information will not only help me, but also the concerned department to analyse the lack and stream line the process of Revenue Loss. With this, department will identify the lapse & the corruption activity taking place at the concerned department.

I am sure the information needed / required by me are under the purview of the Act and I request you to provide me the above-mentioned details at the earliest.

Thanking You,

Yours faithfully,  
Vishal Tulsian,
