Sub: Appeal under the Right to Information Act, 2005

Sir,

This is to bring to your notice that I had filed an application for seeking information under Right to Information Act, 2005, which was received by your office on 22.05.2014 (please see the copy of my original application attached as Annexure 1). As per my application I had sought for the **“copy of the “Power Evacuation Study” conducted by your office for the 4000 MW UMPP at Cheyyur, Tamil Nadu”**.

In his response, the PIO, through a letter No CP/RTI/2014-41 dated 13 June 2014 (please see Annexure 2) has directed me to a website of CEA where the minutes of the meeting discussing the reports were available. No reports were available and especially the report sought by me was not available on this site.

Since I had specifically asked for the copy of the report, and that has not been provided by the PIO, I am forced to file an appeal with your office, as there has been a violation of the provisions of the RTI Act.

I therefore request you to kindly provide me a copy of the “Power Evacuation Study” conducted by PGCIL for the 4000 MW UMPP at Cheyyur, Tamil Nadu, free of cost.

• Sincerely,
•
