Thanking you,

भवदीय,

(सुधीर मित्तल) 31.7.14

महाप्रबंधक (के.आ.) एवं के.लो.सू.अधिकारी

Attach: As above

1. How many persons are killed in electrical accidents or those occurred during use of electricity or working on electrical equipment?

<i>Year</i>	<i>No. of persons</i>
2012	2
2013	1
2014 (upto 30.06.2014)	4

2. What type of accident caused these fatalities, for example coming in contact with electricity, electrical burn, fall from height after getting electric shock, or any other format in which Ministry had made the statistics;

<i>Year</i>	<i>Type of accident</i>
2012	1. Fall from height after getting electric shock 2. Electrical burns
2013	1. Coming in contact with electricity
2014 (upto 30.06.2014)	1. Coming in contact with electricity 2. Coming in contact with electricity 3. Coming in contact with electricity 4. Coming in contact with electricity

3. How many employees including persons employed on contract are killed during transmission / distribution of electrical power. Give Transmission Company / Power distribution company wise, year wise fatalities;

<i>Year</i>	<i>POWERGRID Employees</i>	<i>Contract Workers</i>
2012	1	1
2013	Nil	1
2014 (upto 30.06.2014)	Nil	4

4. How many persons were killed, which were not associated while working with power utilities, like killed when live power fell on the bus or working any where else;

"NIL"

- In which Power Utility Company, the owner had set up a sound and scientific Safety Management System, which includes establishing methodology for Internal and External Safety Audit of Safety Management System, as required under section 4(4) of Central Electricity Authority (Safety requirements for Construction, Operation and Maintenance of Electric Plants and Electric Lines) Regulations, 2011?

The petitioner is referring to setting up of Safety Management System including safety audits as per Section 4(4) of Central Electricity Authority (Safety requirements for Construction, Operation and Maintenance of Electric Plants and Electric Lines) Regulations, 2011 . In this context, it is to intimate that POWERGRID has its own Safety Management System and is conducting regular safety audits in its area of operation.
