Information sought under RTI Act,2005

S.No.	Particulars of information required	Our Reply
1.	Copy of Construction manual/technical Specification/Quality documents in which it has been mentioned that "testing of material is done by laboratories accredited by NABL".	Testing Labs for site testing are approved by POWERGRID for which credentials of lab are verified by site.
2	Name of the person responsible who have put the above word in quality documents that is "NABL accredited"	All documents are framed with a system in place & involving all relevant departments. No individual is responsible to put words in any of the documents specified.
3	Is "NABL Accredited" a standard, if yes who has written this standard BIS or ISO?	Laboratories are accepted based on locational & credential verification by sites.
4	Can the test results/test reports of private laboratories accredited by other than NABL are acceptable in projects.	Test results/test reports are accepted based on contract documents and for laboratories approved by site.
5	Why test results/test reports of private laboratories accredited by NABL are only acceptable?	Test results/test reports are accepted based on contract documents/approvals.
