Dear Sir,

Kindly provide us the following information-

- 1) Copy of Construction manual/technical Specification/Quality documents in which it has been mentioned that "testing of materials is done by laboratories accredited by NABL".
- 2) Name the person responsible who have put the above word in quality documents that is "NABL accredited".
- 3) Is "NABL Accredited" a standard if yes who has written this standard BIS or ISO?
- 4) Can the Test results/Test reports of private laboratories accredited by other than NABL are acceptable in projects?
- 5) Why the Test results/Test reports of private Laboratories accredited by NABL are only Acceptable?

A cheque No. 977612 dt. 18.10.2014 of Rs 10/- is enclosed as RTI fees.

Thanks with regards,
