महाप्रबंधक(के.आ.)एवंके.लो.सू.अधिकारी

Attach: As above

Information sought by Sh. Sanjeev, Dharamshala Bazar, UP
under the RTI Act, 2005.

Regarding the query raised by the applicant, it may be mentioned that the overhead transmission lines in the country are constructed as per the Central Electricity Authority's Regulations 2010/2011 viz. "Technical Standards for Construction of Electrical Plants and Electric Lines", "Measures relating to Safety and Electric Supply" & "Safety requirements for Construction, Operation and Maintenance of Electrical Plants and Electric Lines" as well as Bureau of Indian Standard IS: 5613. The regulations "Measures relating to Safety and Electric Supply" inter alia includes the provision of electricity supply w.r.t. mines, oil fields etc.

During route selection of the transmission lines, hazardous areas are avoided to the extent possible and the statutory clearances are taken from various authorities.
