Subject: First appeal under Section 19(1) of RTI Act 2005

Sir

I asked four number of questions regarding recruitment (in which an extra category option OBC creamy layer was provided in addition to General) done by PGCIL. In response, CPIO replied that no such recruitment carried out by PGCIL.

Please note that undersigned had applied three times for the post of Executive Trainee (Electrical) in the year 2003, 2004 and 2005. In the year 2003, undersigned did not receive the admit card. In the year 2004 and 2005 undersigned selected for the interview. The copy of interview letter is attached. In each times, there were two options available (OBC creamy layer and OBC non creamy layer) while filling the application form.

So it is very clear that the reply I received from CPIO is not true and misleading in nature. You are requested to furnish all the reply as per question accordingly.

Your Sincere

Ashish Kumar
