Reply: Query - 1

The Corporate Contracts of Power Grid Corporation of India Limited (POWERGRID) (a Public Sector Undertaking) had started implementing e-Procurement from December 2010. A number of procurement cases as Pilot Projects had been undertaken for different categories of procurement under domestic as well as global competitive bidding basis. Most of the Regional / Project offices too have also started e-Procurement and achieved substantial progress in this regard. The above was in accordance with the requirement of Office Memorandum (OM) No. 10/3 / 2012 - PPC dated 30th March 2012, issued by the Department of Expenditure to all Ministries / Departments of the Central Government, which envisaged to commence e-procurement in respect of all procurements with estimated value of Rs. 10 lakhs or above, in a phased manner.

It may be mentioned that all major projects and Asset Management related procurements through POWERGRID Corporate Contracts are now being implemented through e-procurement including the World Bank and KFW funded projects. ADB has also agreed in principle and GEC part-A project posed to ADB shall be under e-Procurement. In regard to the procurements being done at Regional / Project Offices of POWERGRID, it is pertinent to mention that most of the bulk procurements at Regional level has been taken up under e-procurement, however, due to various constraints such as remote locations, small vendors (*operative at very small scale at times in individual capacities with almost nil computer literacy*), network connectivity at sites etc., it is not possible to cover all the procurements at Project offices through e-procurement. However, in accordance with the requirements of Office Memorandum (OM) from Deptt. of Expenditure, Ministry of Finance dated 9th & 21st January 2015, POWERGRID has initiated all out efforts to conduct all procurement of estimated cost of Rs. 2 lacs and above through e-procurement, unless infeasible. For this purpose, a policy inter-alia including the time frame for implementation of comprehensive end-to-end e-procurement in POWERGRID has been put in place.

Query 2:

- 2) Has the Policy been implemented in its totality as per the above referred guidelines issued under M.O's in respect of all procurement with estimated value of 2.0 Lac ? if not, what are the deviations ?

Reply:

As detailed above, in accordance with Office Memorandum (OM) No. 10/3 / 2012 - PPC dated 30th March 2012, issued by the Department of Expenditure to all Ministries / Departments of the Central Government, POWERGRID have commenced e-procurement in respect of all procurements, in a phased manner. Now, POWERGRID, has put in place a policy and time frame to implement the directives of Office Memorandum (OM) from Deptt. of Expenditure, Ministry of

MA

Finance dated 9th & 21st January 2015 to cover all procurement of value of Rs. 5 lakhs or more under e-procurement with immediate effect and to gradually bring down this value limit to Rs. 2 lakhs by 01.04.2016 after capacity building of the vendors by way of training, infrastructure availability, etc.

Queries 3 & 4:

- 3) Please provide me the weblinks where the e-tenders are put up by various Deptt./Wings/CPSEs etc under your Ministry.
- 4) Are these Websites/ Web-links available at a single location on your Ministry Website or other websites ?

Reply:

The web-links of e-Procurement portals are as below:

- a) <https://pgcileps.buyjunction.in> (e-Procurement portal hosted by Application Service Provider M/s mjunction, who is appointed by POWERGRID to facilitate e-Procurement)
- b) <http://www.tcil-india-electronictender.com> (e-Procurement portal hosted by Application Service Provider M/s TCIL, who is appointed by POWERGRID to facilitate e-Procurement)

The Procurement packages under different categories are implemented on either mjunction portal or TCIL portal and corresponding NIT & Bidding Documents are also accessible through the same.

The web-links of above Application Service Providers are available through official website of POWERGRID and also mirrored on CPPP portal. The said links are detailed herebelow :

1. <http://apps.powergridindia.com/powergrid/applications/Tenders/01-0001-001.aspx>
2. http://eprocure.gov.in/cppp/relatedlinks?rldesc=&sort_by=rldesc&sort_order=ASC&page=3
