Information Sought: There are opening for ERP professional in POWERGRID. The candidates that are able to submit application are only B.E./B.Tech. Why not Masters of Computer application i.e. M.C.A. as M.C.A. are again equivalent to BE/B.Tech as degree must be provided by any University i.e. Under Govt. of India.

Reply: Vide above question, requester seems to be seeking reason for a justification of not considering M.C.A. in recruitment of ERP professional. Hence, it does not come under the definition of information under the RTI Act.
