Sub: First appeal under Sec 19 of the RTI Act.

Sir,

I had submitted an application dated 12.10.2015 to the Public Information Officer of Power Grid Corporation of India Ltd for supply of certain information under RTI Act. The application was dispatched on 12.10.2015 by speed post. (Copy of the application is enclosed).

I have not been provided with the information by the PIO of the Power Grid Corporation of India Ltd. As the information was asked to expose the misuse of office position and resources by a very senior officer of Power Grid Corporation of India Ltd, it is apprehended that there is deliberate inaction on the part of the PIO to withhold the information in connivance with the concerned officer. This first appeal is made with the following prayers:

- i. To direct the PIO to provide the requisite information forthwith, without any charges,
- ii. To impose penalty on the PIO for deliberately holding back the information with the motive of shielding corrupt practice.
