400 KV D/C Transmission Line, Malerkotla to Amritsar by SPV NRSS XXXI (B) Transmission Limited

The above contract was awarded to Essel Infraprojects ltd. (a fully owned private company) on BOOM (build, own, operate and maintain basis). Please let me know / have the following:

- Information Sought :**
1. Duration of contract awarded to Essel Infraprojects Ltd.
  2. Copies of Co-ordinates of Cable Route and Cable Towers which were originally approved signed and dated by Ministry of Power / CEA.
  3. As Essel Infraprojects ltd. will pocket profit on long term basis by using land of common citizens of India, let me know terms and conditions stipulated in their contract for allocation of funds for making compensations to be paid to land owners for doing business by occupying land with their Towers and Cable corridors.
  4. The cable route is unfortunately approved and passed by appropriate authorities to pass through developing areas falling on State Highways, having very high market values. Was there any thought given to compensate these land owners who are subjected to heavy financial losses due to prohibition of construction and commercial use of land

under Cable Towers and cable corridors. Let me know terms and conditions for payment of compensations for such lands. I will look forward to hear from you on the foregoing soon.
