Sub: RTI application received from Shri Gaurav Pathak, B-160, Nanakpura, South Moti Bagh-II, New Delhi-110021- seeking information under RTI Act, 2005- Transferred by Thermal Division, MoP for furnishing information w.r.t. Point No.1 to 11 and 13 to 15 of application- Regarding.

Sir,

I am to invite reference to your RTI application registered in this Ministry vide Reg. No. POWER/R/2016/50217 dated 11.04.2016 which was received under transfer from Thermal Desk, Ministry of Power vide their letter No.17/60/2015-Th.I dated 18th April, 2016 on the subject mentioned above for furnishing information with regard to point No1-11 & 13 to 15 of the application.

2. In this context, it is stated that after the enactment of the Electricity Act, 2003, the establishment of thermal power plant has been delicensed. As per Section 7 of the Electricity Act, 2003, any generation company may establish, operate and maintain a generating station without obtaining a license/ permission if it complies with the technical standards relating to connectivity with the grid. All the information desired by you concerned to Lalitpur Power Project, Uttar Pradesh and also most of the desired information pertain to State Govt. of Uttar Pradesh. Some points of your application also pertain to other organization besides State Govt. as mentioned below:

Point No.	Information Desired	Information/ Point concerned to Organization (s)
1.	Provide the sanction order along with its annexures, sanctioning the project of power plant at Lalitpur, UP that was inaugurated in 2015.	Information may be available with State Gov UP, therefore, the application is being transf under Section 6(3) of RTI Act, 2005 to Gov UP.
2.	Provide all the documents detailing the land allotment at Lalitpur for the power plant, i.e. the report for requirement of land, notification of acquisition, details of compensation paid and ongoing litigation etc.	Information may be available with State Gov UP, therefore, the application is being transf under Section 6(3) of RTI Act, 2005 to Gov UP.
3.	Provide the list of all the permissions along with the letters granting such permission, for this project i.e. land usage, water usage, environmental, industrial etc.	Information may be available with State Gov UP and MOEF&CC, therefore, the applicatio being transferred under Section 6(3) of RTI 2005 to Govt. of UP and MOEF&CC.

145245/2016/60US(55)
26/4/16

4.	Provide details of SPV created for this power plant and various agreements signed by the Govt. and other authorities with the Bajaj Group for sanction and start of this power project at Lalitpur.	Information may be available with State Gov UP, therefore, the application is being transf under Section 6(3) of RTI Act, 2005 to Gov UP.
5	What was the original estimated cost of the project and what is the revised cost as per various extensions given by the Govt.	Information may be available with State Gov UP, therefore, the application is being transf under Section 6(3) of RTI Act, 2005 to Gov UP.
6.	Provide a list of all the parties that participated in the tender process of construction and running of power plant at Lalitpur, UP alongwith the tender notification.	Information may be available with State Gov UP, therefore, the application is being transf under Section 6(3) of RTI Act, 2005 to Gov UP.
7	Whether Uttar Pradesh Power Corpn. Ltd. is able to fully avail the power being generated from the plant at Lalitpur. If not, has the State Govt. asked the Power Grid Corporation of India Ltd. (PGCIL) to advance completion of the Lalitpur-Agra transmission line and associated sub stations. If yes, what is the date by which the said work is expected to be done with.	Information may be available with State Gov UP and PGCIL, therefore, the application is transferred under Section 6(3) of RTI Act, 2005 to Govt. of UP and Power Grid Desk in Ministry.
8.	Whether the SPV or Bajaj Group has taken any loan for the power plant at Lalitpur. If yes, please provide the details of all such loans, including principal amount, rate of interest, the name of the banks that have sanctioned the loan and the security that has been provided.	Information may be available with State Gov UP and Deptt. of Finance Services (D) therefore, the application is being transf under Section 6(3) of RTI Act, 2005 to Gov UP and DFS.
9.	What is the current status of power generation at Lalitpur power plant, by what date it is expected to reach its full potencial.	Information may be available with State Gov UP and CEA therefore, the application is transferred under Section 6(3) of RTI Act, 2005 to Govt. of UP and CEA.
10.	Whether any illegal construction has been taken place at the site of the plant.	Information may be available with State Gov UP, therefore, the application is being transf under Section 6(3) of RTI Act, 2005 to Gov UP.
11	Whether any environmental damage is being caused due to the illegal construction and functioning of the power plant.	Information may be available with State Gov UP and MOEF&CC, therefore, the applicatio being transferred under Section 6(3) of RTI Act, 2005 to Govt. of UP and MOEF&CC.
13	Provide details of employment generated by the power plant and how may local person from Jhansi-Lalitpur are given employment at the plant.	Information may be available with State Gov UP, therefore, the application is being transf under Section 6(3) of RTI Act, 2005 to Govt UP.
14.	Provide a copy of the report as per which the capacity of the plant was reduced from 4000 MW to 1980 MW.	Information may be available with State Govt UP and CEA therefore, the application is transferred under Section 6(3) of RTI Act, 2005 to Govt. of UP and CEA.

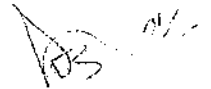

15.	Provide details of all litigation that is pending or decided by High Court, National Green Tribunal, Supreme Court or any other court relating above detailed power plant, Lalitpur.	Information may be available with State Govt. UP, MOEF&CC and CEA therefore, application is being transferred under Sect 6(3) of RTI Act, 2005 to Govt. of UP, MOEF & CEA.
-----	--	--

3. In view of the above, information pertaining to I.P. Cell, Ministry of Power may please be treated as NIL.

4. However, your RTI application under Section 6(3) of RTI Act, 2005 is being transferred to Govt. of Uttar Pradesh, Central Electricity Authority (CEA), Deptt. of Financial Services, Ministry of Environment, Forest & Climate Change and Power Grid Desk, Ministry of Power under Section 6(3) of RTI Act, 2005 for furnishing information, if any, available with them directly to you.

5. Shri Harpreet Singh Pruthi, Director(IPC), Ministry of Power, Shram Shakti Bhawan, New Delhi is the Appellate Authority.

Sir,

Kindly provide me information with respect to the following questions in relation to the Thermal Power Plant situated at Burogaon, Lalitpur, Uttar Pradesh.

1. Provide the sanction order along with its annexures, sanctioning the project of power plant at Lalitpur, U.P that was inaugurated in 2015.

2. Provide all the documents detailing the land allotment at Lalitpur for the Power Plant, i.e. the report for requirement of land, notification of acquisition, details of compensation paid, and ongoing litigation etc.

3. Provide the list of all the permissions along with the letters granting such permissions, for this project, i.e. land usage, water usage, environmental, industrial etc.

4. Provide details of SPV created for this power plant

and various agreements signed by the Government and other authorities with the Bajaj Group for sanction and start of this power project at Lalitpur.

5. What was the original estimated cost of the Project and what is the revised cost as per various extensions given by the Government.

6. Provide a list of all the parties that participated in the tender process of construction and running of power plant at Lalitpur, Uttar Pradesh along with the tender notification.

7. Whether Uttar Pradesh Power Corporation Limited is able to fully avail the power being generated from the Plant at Lalitpur. If not, has the State Govt. asked the Power Grid Corporation of India Ltd (PGCIL) to advance completion of the Lalitpur-Agra transmission line and associated sub stations. If yes, what is the date by which the said work is expected to be done with.

8. Whether the SPV or Bajaj Group has taken any loan for the Power Plant at Lalitpur. If yes, please provide the details of all such loans, including principal amount, rate of interest, the name of the banks that have sanctioned the loan and the security that has been provided.

9. What is the current status of power generation at Lalitpur Power Plant, by what date it is expected to reach its full potential.

10. Whether any illegal construction has taken place at the site of the Plant.

11. Whether any environmental damage is being caused due to the illegal construction and functioning of the power plant.

12. Provide a copy of the report submitted by NTPC in which it refused to construct and run the power plant at Lalitpur, Uttar Pradesh.

13. Provide details of employment generated by the Power Plant and how many local persons from Jhansi-Lalitpur are given employment at the Plant.

14. Provide a copy of the report as per which the capacity of the Plant was reduced from 4000 MW to 1980 MW.

15. Provide me details of all litigation that is pending or decided by High Court, National Green Tribunal, Supreme Court or any other Court relating above detailed power plant at Lalitpur.

Yours truly,
Gaurav Pathak
