(ii) Your RTI reply letter no. CP/RTI/2016/90, Dt. 09.06.2016

Respected Sir,

With reference to the above, we filed RTI and wants following information in our letter dt. 10.05.2016

1. List of parties from whom and what amount of EMD received at the time of RfP Opening i.e. on 29.02.2016.
2. List of Suppliers to whom contract agreements made with quantity, size, price (without breakup) and name of states.
3. List of PBG's received per party with amount and period of validity.

We received above referred letter dt. 09.06.2016 in which the CPIO Mr. Satish Kumar J. not provided any required information on the ground that the disclosure of information related to competing parties would jeopardise the commercial interest of all stake holders. But in our view:

There is no conflict of financial interest as stated, your bid for first part is over, we want the details only for preparation of competitive participation in second part (trench) we also participated in first part and deposited Rs 125 lacs BG as EMD. We feel as the bidding of first part is over, the results should be open to all other participants as generally done in all on-line open tenders in India. If at all, some part information is not to be disclosed, we would be glad with part information please.

I would therefore, request your honour kindly arrange to furnish the information / documents to me as sought for and take necessary action accordingly under RTI Act, 2005.
