| 1 | Information sought | With reference to Advt No. CC/03/2015 pertaining to post ID 116, was the marks obtained in the Screening test given weightage for the final selection? If yes, then how much weightage was given to the marks obtained in the screening test for the final selection for general category candidates? |
| | Reply | Please refer to selection process mentioned in the advertisement. Selection was based on performance of the candidates in Interview only. Screening test was for elimination purpose/ shortlisting of candidates for Interview only. It doesnot have any weighatge in the selection. |
| 2 | Information sought | Even after the final selection, few candidates are receiving the message "Recruitment under process, Please wait for the next announcement". From this, it is inferred that the names of a few candidates have been considered in the waiting list. If so how many General category candidates names are there in the waiting list. |
| | Reply | On completion of the selection process, the list of candidates will be published on "Candidate Login". |
| 3 | Information sought | Considering 19 General candidates have been selected preliminarily, subsequently how many candidates have been called so far from the waiting list? |
| | Reply | On completion of the selection process, the list of candidates will be published on "Candidate Login". |
| 4 | Information sought | If all posts are not filled, till what time will the procedure of calling candidates from the waiting list continue until it is finally stopped. |
| | Reply | The information regarding the completion of recruitment process will be published on "Candidate Login" |
