Information Sought :

This has reference to the Advt.No.CC/03/2015 dated 18.08.15 regarding recruitment of engineers for candidates with M. Tech./ MS/ ME / M.Sc (Engg)/ IDD (Integrated Dual Degree) in Power System or equivalent (Post ID 116).

- 1.In the notification it is mentioned that the selection process shall consist of Scrutiny of Applications and Personal interview of shortlisted candidates and that the Management reserves the right to raise the minimum eligibility standards/criteria and/or to conduct a screening test, to restrict the number of candidates to be called for Personal Interview, if so required.However since subsequently a screening test was held,was the marks obtained in the screening test also given weightage for the final selection. If yes then how much weightage was given to the marks obtained in the screening test for the final selection for general category candidates
- 2.Even after the final selection few candidates are receiving a message Recruitment under process.Please wait for the next announcement.From this it is inferred that the names of a few candidates have been considered in the waiting list.If so then how many general category candidates names are there in the waiting list
- 3.Considering 19 general category candidates have been selected preliminarily ,subsequently how many candidates have been called so far from the waiting list
- 4.If all the posts are not filled,till what time will the procedure of calling candidates from the waiting list continue until it is finally stopped
