Sir,

Subject: Request for information under Right To Information Act, 2005.

My queries are in relation to the Recruitment for the post of Executive Trainee (Law) on the basis of Clat (for PG) 2016 examination. They are as follows:

1. How many candidates were short listed for the Interview and G.D. under PWD category? Also provide there details such as Name, Contact No., Type of Disability, Percentage of Disability, Marks scored as per different parameters as mentioned in the recruitment notification etc.
2. What were the different parameters, in relation to distribution of marks, that the Interview Panel followed at the time of Personal Interview in case of PWD candidates?
3. What were the grounds that the Selection Committee followed/considered in relation to the final selection of the PWD candidates for pre-medical examination? Is percentage of disability also a ground for such short listing for the selection committee? If yes, then explain the ground.
4. What were the reasons/grounds on which Milan Mittal candidature got rejected for pre-medical examination? His details are as follows:
Candidate Name: Milan Mittal
PGCL Application No.: 601702
Category: General (PH)
CLAT Roll No.: 2415536704

Kindly provide me the information to the above mentioned queries as soon as possible.

Thanks and regards,

Malti Mittal
