1. My application (for the post of Engineer Telecom, Post ID 136) was accepted by POWERGRID but now I came to know that my CV is not shortlisted for the said post however I was fully satisfying all criteria, i.e. age, qualification and most importantly having experience in same field for which they are seeking candidate. I would request you to please share reason for rejection of my CV.

Reply: The said application (Reg ID 600460) has been found "Not Suitable" during function scrutiny for the reason "Not Relevant to Telecom Business Development / Networks"
