Reply to RTI enquiry dtd 01.03.2017

Information sought:

Please avail me details of all approved vendors registered as Micro & Small Enterprises(MSE) for the supply of electrical items that are utilized in your Distribution/Transmission line works like cable, conductors, Tower, Insulator, Stay wire etc in the following format:

Item for which Registered	MSE vendor/Supplier name, Address, Contact Details

Reply:

QA&I deptt is entrusted with the task to approve Non-QR(Qualifying Requirement) items. A lot of sub-vendors have been approved by POWERGRID since its inception in 1989 or even before formation of POWERGRID by previous organisations like NTPC etc and their names are mentioned in COV (Compendium of Vendors) available at POWERGRID website. Many of them may be Small or Micro enterprises but the data for the same has not been obtained/recorded in QA&I at the time of assessment or approval of vendors and thus is not available with us. However, we had collected a list of MSMEs for vendors/sub-vendors through our inspection offices in the year 2015-16, the same information is attached herewith.
