Sh. Padamkumar S. Jain,
R/o A/2, 24 (HIG), Opposite RTO Office,
Gripeth, Amravati Road,
Nagpur - 440010.

Subject : RTI Registration No STAQC/R/2017/80005 dated 10/4/17
Ref. : Yrs. Letter dated 6/4/17

Sir,

With reference to your above letter and RTI request Number STAQC / R / 2017 / 80005 dated 10/4/17, please find herewith point wise information as given below:

1. Item is functionally tested (Limited Electrical & performance testing) by simulating the activating signals as per customer's requirement / specification. It is not type approval tested or live tested.
2. The test report issued, is a record of the tests conducted on the items submitted to it for testing and the observation thereof and does not apply to other items even though declared to be identical. The same is printed on cover of the each report.
3. The items tested, for Limited Electrical and Functional performance testing in simulated conditions as per customer's specifications. The same is conveyed at page "1" of the each test report issued
4. Test results reported in the report relates to the item (Sr. No. and the model submitted), and are valid at the time of and under the stated conditions of measurement.
5. Only item / sample submitted, identified by Sr. No., model /Type, Make etc. tested for performance and observation recorded. The same is indicated at page "1" of the each test report issued
6. Can not say or confirm. Lab. is conducting tests as per specification / requirements submitted to it.
7. It is customer to decide. Lab. is conducting tests as per specification / requirements submitted to it and issuing reports for item / Sample identified by sr.no / Model / Type / make etc.

Thanking you,

Yours faithfully,

V. K. Bhatia
