**Sub:** Information under RTI Act 2005

Dear Sir,

I understand that a number of equipment / items / services are purchased by PGCIL & several PSU's & some large companies through competitive bidding (using single, two part & three part sealed envelopes) Now Reverse Auction is also being done.

Information Requested:

I wish to know information in case price bid envelope is opened first and prices disclosed to all the bidders. After the prices are known to all the bidders, can the purchaser go for Reverse Auction for prices under such scenario in the same tender. Information regarding this may please be provided by PGCIL.

Thanking You,

Yours Faithfully
