*I am writing*

I thank you for giving an opportunity to POWERGRID to prepare a project report for development of Smart Grid leading to Smart City Gurgaon. You are aware that the scheme will provide 24x7 power supply and making Gurgaon DG sets free. It also includes establishment of One Map Gurgaon and Smart Traffic & surveillance management. Based on the subsequent meetings held with officials of DHBVN/HVPL, Gurgaon administration & police dept. and POWERGRID, project report covering above attributes have been prepared jointly with total estimated investment of Rs. 9836 cr.

Subsequently, the salient features of the report were presented and discussion was held on 10<sup>th</sup> June 2015 in the meeting chaired by your goodself at Haryana Bhawan, New Delhi. The issue regarding funding mechanism of the project was deliberated. Accordingly, a new chapter (Chapter-9) covering proposed financing recovery strategy has been included in the report. This needs to be fine-tuned depending upon the fund availability & tariff regulation. A copy of the report is enclosed for your kind consideration. If desired, a detail presentation / discussion can be made at your convenience.
