Reply to RTI Queries by Sh. Anoop Sharma

Query 1	Kindly provide the suitable information that recently you have published the vacancy for HR executive through UGC NET test. But this test is conducted by the UGC for Professor, so kindly provide the detail that you have appoint this post for Professor in your department. If not then provide the suitable information on what basis you have choose this test for appointment.
Reply 1	POWERGRID has announced recruitment of Executive Trainees in HR discipline through UGC NET July 2018. The second part of the question amounts to an interrogative question which does not come under the ambit of "Information" under the RTI Act 2005.
Query 2	Also, provide the information that in this way you are wiping out the right from candidate those who have not meet the eligibility of Professor, but have the quality of qualifying the test openly if you conduct for HR post, kindly provide the suitable information regarding this.
Reply 2	This is applicant's own statement of assumption which is not factually correct. UGC-NET July-2018 does not prescribe any special qualification (other than Post-Graduation in subject concerned) or experience to apply for the post of Asstt. Professor/ JRF. POWERGRID uses the test as a test of academic / professional knowledge in relevant discipline. Candidates eligible to apply for POWERGRID are eligible to apply for UGC-NET-July 2018. Please refer to our detailed advertisement and FAQs on our website.
Query 3	Also, provide the information that on what grounds you have chosen this method of recruitment for HR post, because this test is conducted widely by UGC in India only and only for college professor.
Reply 3	Please refer to reply to query 1.
Query 4	Also, provide the detailed information that you have taken all the approval for recruitment from Govt. for this post with UGC NET Test. And Govt. gives the permission for hiring with UGC NET test.
Reply 4	POWERGRID has taken approval from University Grants Commission regarding use of UGC NET July 2018 scores of applicants for the post of ET(HR) in POWERGRID as a part of the recruitment process.
