Dear Sir,

This is with reference to PTC letter referred at (i) requesting for part operationalization of 174MW LTOA from Teesta-III HEP (6x200 MW) to UP, out of 1200MW LTOA granted to PTC. Subsequently, CTU vide letter referred at (ii) had circulated agenda to all the stakeholders for part operationalization of the subject LTOA requesting comments/observations, if any, by 16.04.2018. Pursuant to above, POSOCO vide letter referred at (iii) proposed that the requisite LTOA may be part operationalized subject to commissioning of 400 kV Dikchu – Rangpo line so as to ensure N-1 reliability. Further, PTC shall submit an undertaking to keep CTU and POSOCO indemnified till commissioning of Dikchu – Rangpo section of 400 kV Teesta-III – Kishanganj D/c line. In this regard, PTC vide letter referred at (viii) has also submitted an undertaking mentioning that they shall keep CTU and POSOCO indemnified against any claim on account of operationalization of 174MW LTOA from Teesta-III to UPPCL till commissioning of 400 kV Dikchu – Rangpo section.
