2. Details of Transmission projects Completed / Under Implementation by POWERGRID as on 30.06.2018 are as given in the table below:

	Transmission Element	Implemented and under operation	Under Implementation
A.	Transformation Capacity in MVA	3,39,933 MVA (236 substations)	About 78,000 MVA
B.	Transmission Lines in Ckm	1,48,659 ckm	About 22,000 ckm

Details about other transmission licensees may please be taken from CEA.

3. POWERGRID has invited two proposals on International Competitive Bidding basis for selection of independent Private Transmission Company(IPTC) to establish transmission lines associated with Western Region System Strengthening Scheme-II Part-B & Part-C.
4. & 5.

Information desired is in regard to delay in execution of Transmission Project by POWERGRID & cost overrun on account of delay for execution of Transmission Corridors under Section 62 of Electricity Act,2003. Data in this respect is available in various files and is very voluminous, compilation of which will disproportionately divert resources of the company. However, you may generally get this information in various CERC order available at public domain at <http://www.cercind.gov.in/orders.html>.

6. POWERGRID Transmission Projects are not designed on the basis of Avg Cost per Mega watt.
7. POWERGRID is undertaking following projects under section 63 of the Electricity Act, 2003:

- i) POWERGRID Jabalpur Transmission Ltd.
- ii) POWERGRID NM Transmission Ltd.
- iii) POWERGRID Kala Amb Transmission Ltd.
- iv) POWERGRID Vizag Transmission Ltd.
- v) POWERGRID Unchahar Transmission Ltd.
- vi) POWERGRID Warora Transmission Ltd.
- vii) POWERGRID Parli Transmission Ltd.
- viii) POWERGRID Southern Interconnector Transmission System Ltd.
- ix) POWERGRID Medinipur – Jeerat Transmission Limited
- x) POWERGRID Mithilanchal Transmission Limited
- xi) POWERGRID Vemagiri Transmission Limited
- xii) WR-NR POWER Transmission Limited

Status of implementation of these project is as given below:

POWERGRID Vizag Transmission Limited : On time as per the Agreement
 POWERGRID Unchahar Transmission Limited: On time as per the Agreement
 POWERGRID Kala Amb Transmission Limited: On time as per the Agreement

POWERGRID Parli Transmission limited and POWERGRID Warora Transmission Limited have also been completed and the timeline after accounting for the delays on account of Force Majeure and Change in law provisions of the Agreement would be within the time schedule of the Agreement.

The project under POWERGRID Jabalpur Transmission Limited is under implementation and timeline after accounting for the delays on account of Force Majeure and change in law provisions of the Agreement would be within the time schedule of the Agreement.

POWERGRID NM Transmission Limited, there was substantial delay in grant of Transmission License and adoption of Transmission charges. The project is partly completed and the timeline after accounting for the delays on account of Force Majeure and Change in law provisions of the Agreement would also be within the time schedule of the Agreement.

The remaining projects of POWERGRID under Section 63 are under the implementation period as per their respective Agreement.

8. Projects under Section 63 of the Electricity Act, 2003 are floated under Tariff based bidding with Tariff as the parameter. As such cost is not the parameter defined for such projects.
9. The information does not pertain the POWERGRID.
10. Projects under Section 63 of the Electricity Act, 2003 are floated under Tariff based bidding with Tariff as the parameter. As such cost is not the parameter defined for such projects which can be used for comparison.
