<b>Text of RTI First Appeal :</b>	CPIO Reply is The Regional HR Department is competent to handle medical and other cases of employees superannuating from their regions. As the Applicant has superannuated from NR-III, the said information may be obtained from NR-III. CPIO is ignorant of the fact that applicant should not be directed to seek information from other sources in the same organisation instead he should seek and furnish the same to applicant. It is surprised corporate does have access and only regional office has information sought.
