<p>I had applied for the post of Engineer (Telecom) in PGCIL against advertisement No. CC/05/2018 in May 2018. I have send my application hard copy to given address in notification hence application form can not be attached.</p> <p>I fulfill all the required criteria for this post as per the advertisement in best of my knowledge. Now i have noticed that interview for the same has been already done and qualified candidates are called for joining.</p> <p><b>Information Sought :</b> While i did not received any mail or any letter by PGCIL via mail or via post for interview or any screening test for this post. I want to know, why i was not informed for this activity if i have applied. And if i was not selected for the interview than please let me know a) on what basis i was rejected for the interview/screening test. b) selected candidate achievement which i do not have.</p> <p>Regards Loveneet Gola 9560479353</p>
