ANNEXURE-I

Information Sought: What is the reason that the vacancy taken for the Diploma Engineer by PGCIL is given priority only to students who get marks above 70% or 70%. Why not give priority to the students getting marks below 70%.

It is not necessary that students who have received below 70% marks should lack knowledge in their subjects. Competition is competition and everyone should get equal opportunity.

Do the students receiving below 70% marks are considered ineligible for this post in eyes of PGCIL. If yes, so why do.

Reply: As per the RTI Act, 2005, an applicant cannot ask for any information as to why such opinions, advices, circulars, orders, etc. have been passed. Vide aforesaid query you have not asked for any information but sought reasoning / opinion / justification, which is therefore denied as stated above.
