Text of RTI First Appeal :	<p>Dear Sir, Answers of many important queries were not furnished by the competent authority against my RTI. Here is the list of queries and the replies of the authority in bold letters. Request you to please supply me the full, authentic and credible information of the queries mentioned hereunder so that I could take it up further. 1 How many RFPs have been invited during the last five years And how many employees have undergone such training sessions The reply to this question is vague. It does not (give the number of RFPs) say how many RFPs have been invited during the last five years. It is also silent over the number of employees who underwent such yoga training sessions during the said period. 2 What criteria were adopted to award such a contract The reply lists a number of factors for selecting the agency for the work but what weighed heavily in favour of Manas Seva Sansthan is not clear. What was the requirement advertised in RPF is also not furnished. A copy of the advertisement is needed to substantiate the claims. Was the criteria adopted for selecting the agency in line with the RFP 3 How many times the Manas Seva Sansthan was accorded this contract and how much amount was paid to this outfit There is no answer to this straightforward question. Out of context text supplied for this question. 4 Copies of noting and correspondence thereof may be provided for which I am ready to pay the cost. It was not provided to me. 5 I require the document wherein the competent authority has accorded the approval. Copies of noting and correspondence in this regard may also be supplied to me It was not furnished. I may be</p>
