Sub: - First Appeal against CPIO reply dated 06.09.2019 against RTI request PGCIL/R/2019/50354
Dated 06.08.2019

Sir,

This is reference to your reply vide No. PGCIL/R/2019/50354 Dated 06.09.2019 against my RTI request dated 06.08.2019, It has been informed that

The reply of CPIO is very surprising in which basic information about eligible candidates due for promotion from Manager to Chief Manager in CPC 2019 is being denied. The preliminary objections to above reply is as under

1. **The information was earlier denied for similar nature RTI available in RTI section of PGCIL website and it was informed at first stage that**

(a) There is no such information readily available with the corporation, Creation of such data will disproportionately divert the resources of the corporation, accordingly above information cannot be provided.

(b) No Rank/Merit List has been maintained.

(c) Applicant is being informed to visit personally in head office during appeal for taking minor information which can be sent easily by e mail.

(d) It was informed by RTI applicant that no personal details are reqd. but even then it is being informed that Section 8(1) J & 8(1) E of RTI act is being violated.

2. It was later informed that 13 candidates were promoted to Chief Manager without having the basic qualification of Degree in Engg. It is to be noted that as per policy of PGCIL candidates

should have minimum qualification of Degree in Engg. & Deptt. Exam is to be held but no written test was held.

3. *All the tricks are being applied to deny information which is giving rise to suspicion, I hope that this is not the case and all promotions are in transparent manner.*
4. *Public money & share holders' money is involved in running of PGCIL & It is matter of **great public interest** that only deserving candidates are promoted.*

Relief Required

Para 13:-

Now In para 13 It is being informed that

Information sought is not available in current format.

The reply is very surprising because in reply in para 12 sample format for final evaluation , most of the details desired i.e. name of region , AAR Marks, Grade Marks, CPC marks, Total Marks, Recommendation of CPC are available whereas in Para 13 it is being informed that details are not available.

The details are available with PGCIL as per sample format . **It is now 100 percent clear that all the details are available with CPIO, PGCIL but It is sorry that information is being denied to very minor reasons by reputed Navratna company. Copy of sample format is also being attached for your ready reference & as a proof that details are available with PGCIL.**

So it is requested to your goodself to issue directions to CPIO, PGCIL that necessary that desired information as per para 13 is given at earliest and if any information like marks in physical interview is not available same can be denied & all the remaining details as per para 13 are given at earliest or in any other format available with PGCIL by which desired information can be given.

Yours sincerely,

Jugal Kumar,
