

**FORM 'A'**

**Form of Application for Seeking Information Under the Right to Information Act, 2005**

RTI Application No. \_\_\_\_\_

Date of Receipt \_\_\_\_\_

(For official use)

To

The Public Information Officer,

\_\_\_\_ Central Electricity Regulatory Commission Chandigarh \_\_\_\_\_

1. **Full Name of the Applicant** : Arjun Singh

2. **Complete Address** : C/O-Rajveer Singh Solanki,Vill.-Kagarol,peepal Wali Gali,Near Bus  
Stand,Kagarol,Agra,U.P

3. **Whether belong to BPL category** :

(If yes, please attach a copy of the BPL certificate, etc. Fees are exempted for citizens belonging to BPL category)

5. **Particulars of Information required:** (Additional information attached as Annex 1)

1. Monthly Electricity Demand from grids between 2011-2019 for each district. Please provide data separately for each district monthly. Also Categorise electricity demand as residential/commercial/industrial/public. Sample format can be seen Annex 1.

2. Residential Electricity Price in the state for each year between 2011-2019. Please provide data separately for each district monthly.

3. Mean Load Factor in the state for each year between 2011-2019. Please provide data separately for each district monthly.

4. Annual Electricity Demand from grids between 2011-2019 for each district. Please provide data separately for each district. Also Categorise electricity demand as residential/commercial/industrial/public.

5. Total amount of roof top Solar PV electricity injection on grid in each district between 2011-2019. Please provide data separately for each district monthly.

6. Total capacity of roof top Solar PV installed (on grid) in each district between 2011-2019. Please provide data separately for each district.

1. Total capacity of roof top Solar PV installed (on grid) in each district between 2011-2019. Please provide data separately for each district.

2. Total capacity of roof top Solar PV installed (off grid) in each district between 2011-2019. Please provide data separately for each district.

3. Total capacity of all forms of Solar PV installed (on grid) in each district between 2011-2019. Please provide data separately for each district.
4. Total capacity of all forms of Solar PV installed (off grid) in each district between 2011-2019. Please provide data separately for each district.
5. Total capacity of residential Solar PV installed (on grid) in each district between 2011-2019. Please provide data separately for each district.
6. Total capacity of residential Solar PV installed (off grid) in each district between 2011-2019. Please provide data separately for each district.

6. **How the applicant would like his information to be sent** : By Post or E-mail and please provide the above details in Microsoft excel format.

### DECLARATION

This is to certify that I, **Arjun Singh** Son of **Jal Singh**, am a citizen of India. Further, I state that the information sought does not fall within the restrictions contained in Section 8 and 9 of the RTI Act, 2005 and to the best of my knowledge it pertains to your office.

**Date & Place:**

**Signature of Applicant**

## Annex 1

The requested data would be used to conduct an independent research on analyzing the impact of different solar generation promoting policies on electricity demand for domestic use. I will use different data analysis techniques in my research.

Sample Electricity Demand Data:

Area/ Region	Month	Year	Electricity Demand	Share of residential demand	Share of commercial demand	Share of industrial demand	Electricity Price	Load Factor	Installed solar PV capacity
A	Jan	2010							
A	.	.							
A	Dec	2019							
B	Jan	2010							
B	.	.							
B	Dec	2019
