<p>The Applicant requests the following information regarding the award of Contract for insulators in the year 2013 for the Kurnool-Thiruvalem Transmission Line (Specs No. CC-CS/280-SRI/INS-2703/3/G6 by Powergrid:</p> <p>Information Sought :</p> <ol style="list-style-type: none"> 1. Details of the formation and members of the four-level Committee formed for conducting the Quality Assessment of the insulators supplied by Modern Insulators Ltd for the above project in 2013. 2. Observations and internal notings of the Four level Quality Committee 3. Quality Committee Report of the above project. 4. Evaluation Report related to the above project. 5. Minutes of Meeting of the Board in relation to the above project. 6. As per the requirement for the project two types of insulators were to be purchased i.e., 160 KN and 120 KN. Why were insulators of only 120 KN purchased. 7. On what basis were the 160 KN insulator rejected. Please provide detailed report. 8. Details of the raw materials used in 120 Kn Insulators and 160 KN Insulators. what are the differences between 120 KN and 160 Kn Insulators. 9. What are the repercussions of using 120 KN insulators for the whole project instead of using a combination of 120 KN and 160 KN insulators as required. 10. What are the repercussions of non-implementation of the terms of the Tender. <p>Please send the information to me by speed post or registered post. Please reply in English. Please also provide me file notings and action taken report on this application along with your reply.</p>
