d	Whether they can hire them other parties as well to work at your site	<p>RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.</p>
d (i)	If yes, can they do it with or without the approval of Power Grid Corporation of India Limited?	<p>RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.</p>

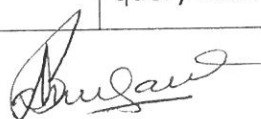

Sl. No.	RTI Query	Reply
d (ii)	If the Approval of Power Grid Corporation of India Limited is required, tell whether Transrail Lighting Limited/Royal Piles has taken such approval before engaging any hired equipment, material etc. Give such hired equipment, materials etc., brought by Transrail Lighting Limited at your site.	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
2	Does Power Grid Corporation of India Limited has any right, lien or charge on equipment, materials etc., brought by their contractors/sub-contractors and if they can be treated as Power Grid Corporation of India Limited assets ?	
2(a)	If the assets developed by such contractors/sub-contractors and if they can be treated as Power Grid Corporation of India Limited, whether Power Grid Corporation of India Limited is empowered to hold detain, or take as bait, the assets so hired and deployed by their contractor/sub-contractors? Mention the name and details of such holding authority.	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
2(a)(i)	In case Power Grid Corporation of India Limited is empowered to hold, detain, take as bait the assets deployed by contractors/sub-contractors, mention the details of all such detainable assets.	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
2(a)(ii)	Does Power Grid Corporation of India Limited has the right to hold, detain, take as bait the assets deployed by their contractors/sub-contractors, as a whole or only the equipment, materials owned by their contractors/sub-contractors only? Whether Power Grid Corporation of India Limited has the power to hold, detain, take as bait the assets hired by their contractors/sub-contractors also? Give details of such holding authority quoting the section and statue under which such power can be or has been exercised.	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
2(a)(iii)	Whether Power Grid Corporation of India Limited is authorized to hold all the assets deployed by their contractors/sub-contractors, whether the same are owned or hired by their sub-contractors? If yes, give details of the persons so authorized and the sections and stature under which such powers are conferred to them.	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
2(b)	Can Power Grid Corporation of India Limited detain the equipment, materials etc., even after their contractor/sub-contractor de-hires (or not paid their dues on time) such material, equipment etc.? if yes, give details of the persons so authorized and the statute under which such powers re conferred to them.	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.

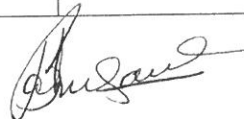

Sl. No.	RTI Query	Reply
3	Even if Power Grid Corporation of India Limited has all the power to hold, detain, take as bait their contractors/sub-contractor's assets as mentioned in above clauses 1 and 2 nd , you are requested to clarify the following points regarding the same:	
3(a)	Do the assets so detained, held, taken as bait etc., come under the purview of the Labour Act or not ?	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
3(b)	Does Power Grid Corporation of India Limited has the power to forcibly compel their contractors/sub-contractors to carry out additional work other than the originally awarded work ?	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
3(c)	Is Power Grid Corporation of India Limited empowered to grant leniency in performance of the contractual work by their contractors/sub-contractors by not honouring their contract clauses mentioned in their work orders ?	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
3(d)	If some of your contractor/sub-contractor do not follow the contractual obligations under the work order issued to such contractor/sub-contractor what steps Power Grid Corporation of India Limited is eligible to take against such defaulting contractor/sub-contractors?	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
3(e)	If there are lapses in performing the duties by the contractor/sub-contractor according to the awarded work contract/order, what measures can be taken by Power Grid Corporation of India Limited give details	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
3(f)	If there are lapses on the part of employees of Power Grid Corporation of India Limited in performing their duties in respect of compliance of work order terms and conditions by contractor/sub-contractors, what actions Power Grid Corporation of India Limited can take against them? Mention the details of such actions and if any such action has been taken against any of Power Grid Corporation of India Limited employees, give details of the same.	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
3(g)	If any deeds of Power Grid Corporation of India Limited leads to any financial losses, physical or mental harassment to their contractor/sub-contractor or the persons involved with Power Grid Corporation of India Limited's contractor/sub-contractors (attached as hires to contractor/sub-contractors) who is liable to pay such losses/damage? Mention the amount of damages, name of the persons responsible for paying the damages and the time schedule of such payments to the affected persons and enterprises.	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.

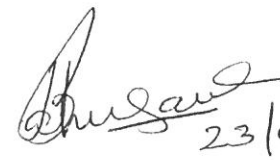

Sl. No.	RTI Query	Reply
3(h)	Who are responsible for work stalled due to staff/labour strikes or for any other reasons whatsoever may be etc., at Tower Package TW07 for ± 800 kV HVDC Raigarh-Pugalur TL site. Who will pay idle charges for the period so loss etc.? Did you pay/compensate such losses to all or some of the affected parties and name of the parties to which such payments have been made. If not why you have not compensations till now, give reasons with the name of the authority denying such compensations.	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
3(i)	As a government entity, what action Power Grid Corporation of India Limited takes if their employees do not perform their duties as assigned to them properly, or found doing dubious, unlawful biased activity whether on their own or in collusion with someone? If you have taken any action against such of your Tower Package TW07 for ± 800 kV HVDC Raigarh- Pugalur TL project's staff, mention the name of such persons, and the punishments given to them. And if you have not taken any action against them, give reasons.	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
3(j)	Does the Transrail Lighting Limited abide by all the rules and regulations mentioned in their awarded work order by Power Grid Corporation of India Limited? If yes mention whether all the terms of the agreement have been fulfilled by Transrail Lighting Limited. If not, give details of such unfulfilled contractual obligations with reasons and the persons of Power Grid Corporation of India Limited responsible for doing the same. And if any actions have been taken against the Transrail Lighting Limited, give details of such employee and the actions so taken.	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
3(k)	Mention the duties and powers assigned to Shri K. Sreekant Ji, Chairman and Managing Director and the staff under him at Tower Package TW07 for ± 800 kV HVDC Raigarh-Pugalur TL project site in details. Whether such duties have been performed properly by Shri K. Sreekant Ji (Chairman & Managing Director) and his staff till now.	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
3(l)	Are there any lapses in the duties on the part of Shri K. Sreekant Ji, Chairman & Managing Director or his staff at Tower Package TW07 for ± 800 kV HVDC Raigarh-Pugalur TL Project ? If yes, what actions you have taken against such concerned persons. Give details with the amount of punishment.	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.

Sl. No.	RTI Query	Reply
4	<p>Does Transrail Lighting Limited/Royal Piles require to take permission of every material equipment etc., deployed by Transrail Lighting Limited from Power Grid Corporation of India Limited before entering and exiting such material equipment etc., Tower Package TW07 for ± 800kV HVDC Raigarh-Pugaluru TL site? If yes, whether the same has been complied? If not, give reasons and the persons responsible for the same. Whether the agate passes for such equipment, materials, etc. are issued/signed by Transrail Lighting Limited only or by Power Grid Corporation of India Limited only or both?</p> <p>Is Power Grid Corporation of India Limited authorized to detain only the assets of Transrail Lighting Limited, or the assets of any person engaged in any way in this project without any prior lien on their assets so brought by anyone on Transrail Lighting Limited behalf without the payment liability by Power Grid Corporation of India Limited to them directly or indirectly as per any clause in your awarded contract? Mention such contract clauses in details.</p>	<p>As per the records available at this office, no information is available for engaging of M/s Royal Piles by M/s Transrail Lighting Limited in TW07 Package of Raigarh – Pugalur TL</p>
5	<p>Has Power Grid Corporation of India Limited got the implied power with them to harass the persons/firms/any other entities engaged in helping the deployment and building infrastructural growth of our country in such a crucial recession time by just signing any contract anytime anywhere whatsoever may be? Mention details of such empowering acts of statutes especially in respect of Tower Package TW07 for ± 800kV HVDC Raigarh – Pugalur TL Project.</p>	<p>RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.</p>
6	<p>Has Power Grid Corporation of India Limited taken the required work guarantee/performance guarantee from Transrail Lighting Limited before executing the awarded contract at Tower Package TW07 for ± 800kV HVDC Raigarh – Pugalur TL</p>	<p>Yes. Contract Performance guarantees in the form of Bank Guarantee are available at POWERGRID, SRTS-I RHQ, Secunderabd.</p>
a	<p>If not, state the reasons of such waivers along with details of the persons, authority responsible and involved.</p>	<p>Not Applicable</p>

Sl. No.	RTI Query	Reply
B	If yes, mention if such guarantees and the equipment, materials etc., owned by Transrail Lighting Limited are not sufficient to bind Transrail Lighting Limited for completion of the awarded contract by Power Grid Corporation of India Limited rust instead of holding additional assets other than the assets brought and owned by Transrail Lighting Limited? Give reasons for such kind of insecurity on the part of your credibility on such a prestigious project. Also give reasons why Power Grid Corporation of India Limited awarded work contracts to such contractor/sub-contractors with whom Power Grid Corporation of India Limited does not feel safe and secure in respect of completion of work resulting in holding assets brought by them.	RTI Act, 2005 is a means for citizens to secure access to information under the control of Public Authorities. Information is defined under Cl.2(f) of the said Act. The subject query does not fall under this purview.
C	As per the work order/contract awarded to M/s Transrail Lighting Limited, give details of the balance work including the value of such work to be done by M/s Transrail Lighting Limited till now.	1)Daily Progress Report Dt:15.01.2020 is enclosed at Annexure-II 2)Value of works pending of a Third Party cannot be disclosed under Section 8(1)(d) of RTI Act, 2005.
	Also give details of the payments pending to M/s Transrail Lighting Limited by you till date for your Tower Package TW07 for \pm 800kV HVDC Raigarh – Pugalur TL	Details of payment pending to the Third party cannot be revealed under Section 8(1)(d) of the RTI Act, 2005
