<b>Text of RTI First Appeal :</b>	<p>Respected Sir/Madam, As per PGCIL/R/2019/50443 ,PGCIL/R/2019/50444 7 50505 and 50506, PGCIL/R/2019/50498 and PGCIL/R/2019/50499 RTI requests, PGCIL informed that PGCIL followed Informal group meetings along with Press releases, inviting comments during Screening, Scoping (Walkover survey) to ascertain the views of public and to inform all stake holders there itself about the project details like 1. Complete project plan (its route and termination point and substations, if any, in between), benefits etc. 2. Electrical safety provisions 3. Measures taken to avoid public utilities such as schools and hospitals 4. Compensation details, if involved Most of the queries raised were pertaining to safety and compensation process which were duly answered and explained to all villagers/land owners during survey/construction for below projects. I have raised multiple RTI requests on Initial environmental and social impact process and public consultation details in detailed project plan part of feasibility report. PGCIL is not sharing any details even after multiple RTI requests. Vemagiri 2 to Chilakaluripeta 765kV D/c line with 240 MVAR switchable line reactor at both ends. Chilakaluripeta to Cuddapah 765kV D/c line with 240 MVAR switchable line reactor at both ends. Chilakaluripeta to Narsaraopeta 400kV (quad) D/c line. Cuddapah to Madhugiri 400kV (quad) D/c line with 80 MVAR switchable line reactor at both ends. Yours Faithfully, Srinivasa Rao Gandham</p>
