333445/2019/OFFICE OF US(SJ)

so request you to provide the information to communicate over Email/postal address of the concern power transmission authority presently who can provide the earlier notice if any send to the land owner or i can raise my appeal to how the high tension power lines are laid by which means of communication they laid lines over the private property without giving any compensation or made the lease agreement.

Request you to help to get the information about the high tension power lines laid without getting the land owner consent or the any notice to the land owner while laying by the APTRANSCO.

My self kolluri rajasekhar ,the partly owner of the land in the survey no : 293/10(part), situated at BADARAVIRALA VILLAGE, HAYATNAGAR MANDAL , R R DIST , Presently in Telagana state in the year of land sale deed executed that is in the year of 1999 said land is in the Andhra Pradesh state(owner ship proof is attached) is now separated in to two states so here is the confusion is that required information is to get from which state authority that is from the APTRANSCO or TSTRANSCO.

Original RTI Text (मूल आरटीआई पाठ):

Since there is no information is available that is from where to where these power line are laid and who is the responsible authority and their office to contact and get the information abt they communicated to the land lord before laying the power lines over the private land where there is no government occupied land or leased land.

since we are non residents and unmanned location of the above detailed property we couldnot get any information about laying these power lines from more than decade,when we visited for the construction in the plot week days back we found the power lines passing over the head.

so request you to provide the information to communicate over Email/postal address of the concern power transmission authority presently who can provide the earlier notice if any send to the land owner or i can raise my appeal to how the high tension power lines are laid by which means of communication they laid lines over the private property without giving any compensation or made the lease agreement.
