Text of RTI First Appeal :	<p>To First Appellate Authority PGCIL, Sir, The undersigned sought very specific and precise information regarding empanelment of vendors/suppliers for supply of various capacity transformers under DDUGJY/IPDS in the state Uttar Pradesh during 2016. The information was sought point wise along with file noting and supporting documents ranging from point 1 to 5. However the CPIO in the reply had not provided any of the information as elaborated below 1. CPIO replied a statement regarding composition of committee and stated that on the behalf of committee PGCIL finalised rates and forwarded the same to REC etc, however the applicant nowhere asked CPIO to explain the composition so the very purpose of providing the TOR of committee is to mislead the applicant from required information. Now applicant is again requesting the First Appellate Authority to give point wise information along with all supporting documents and relevant file noting free of cost in the light of the provisions of Right to Information Act without further delay. Also It requested to kindly enquire the motto of CPIO regarding providing misleading facts even when the sought information was precise clear and point wise, if the malades intention is disclosed suitable action may also be recommended , if found deemed necessary. Thanking you , In anticipation of complete information along with all supporting documents and file noting.</p> <p>Pawan Kumar Verma</p>
