ORDER

Grounds of Appeal

The Appellate Authority has received an online Appeal bearing number PGCIL/A/E/20/00006 dated 12th February, 2020 from Sh. Akhilesh Kumar. Earlier, the appellant herein had filed an application-bearing number PGCIL/R/2019/50574 dated 15th December 2019, with the CPIO Corporate Centre, POWERGRID seeking information related to Sub-stations which are being operated from RTAMC. The instant appeal has been preferred by the appellant on the ground that the CPIO has provided incomplete information to him.

On receipt of the appeal, information provided by CPIO vide letter dated 15th January 2020, and relevant papers were perused.

Decision

I have perused the reply dated 15th January 2020. The appellant basically is seeking the information related to point no. 4&5 of his RTI application dated 15th December 2019. Per appellant the same was not provided to him vide reply dated 15th January 2020.

In my opinion the information related to point number 4 and 5 can be given to the appellant as the same does not fall within the ambit of exempted information under the Act. CPIO is hereby directed to provide the information to the appellant within seven days of this order.

The appeal is accordingly disposed of.
