Reply to 1st Appeal of Shri Akhilesh Kumar, Patna, Bihar:

1. **Information sought**: As per the reply of queries no. 4 & 5, shift operator has to take care of control room mobile on 24 into 7 basis. However, my all quries were for RTAMC operated stations. 1. Since, in all RTAMC operated sub-stations, no shift operator is available in control on 24 into 7 basis. In these cases who will keep the control room mobile.

   Reply: As the RTAMC operated sub-stations are generally operated remotely, therefore, no shift operators are required to be present in control room and as such no mobile is required in control room.

2. **Information sought**: Also the control room mobile is asset of POWERGRID, Can an employee keep it with himself at public places such as market etc.

   Reply: Not applicable for RTAMC operated sub-stations.

3. **Information sought**: If an employee is directed to keep the control room mobile for more than 8 hrs or beyond the normal duty hours, can he claim for C-off/ overtime

   Reply: Not applicable for RTAMC operated sub-stations.
