Sir,

Sub: Your RTI Appeal – reg.

This has reference to your online Appeal Regn.No.:PGCIL/A/2019/60086 dated 20/11/2019 under RTI Act, 2005. Your appeal vis-à-vis the reply (vide letter dated 13/11/2019) given by the CPIO/POWERGRID Southern Region-II have been considered carefully. It is found that the CPIO has furnished the information as per the record available and provided the same within the time frame stipulated under RTI Act, 2005.

However, it is further clarified that land owner was very well informed that payment of compensation will be made as per the assessment by Agricultural, Horticulture and Forest officials followed by the field inspection. Process of compensation for this land is as per following:

- Notice was issued on 14th August'19 after the site visit by DGM & GM.
- Assessment for Forest trees done by Forest dept on 7th September'19.
- Assessment for Agriculture trees done by Agricultural Department on 8th September'19.
- After obtaining land owner consent, tree cutting was done on 28th September'19 in the presence of land owner with their consent.
- After receipt of complaint from the land owner, again site inspection was done by DGM & GM jointly on 4th October'19. Cut trees were counted once again in the presence of land owner on the above day.

However, as per the records, there was a delay in signing of CCTC on part of the landowner and subsequently during the meeting held on 08th December '19, the CCTC was signed by the landowner and the compensation payment of Rs.4,64,252/- was released to him.

Thanking you,

Yours faithfully,

(S.RAVI)
