<b>Information Sought :</b>	<p>Hi Team,</p> <p>Subject: Extreme Low Voltage issue not resolved yet, need to know the reason behind the delay</p> <p>My name is Aamir Ahmad, I am a resident of Village Aktiyarpur, Block Banmankhi, Dist Purnia. My village got electrified for nearly 2 years before. But since after the electrification, we are not receiving the correct voltage. I made several complaints earlier to the respected department. All my complaints were closed without providing the resolution.</p> <p>On date Sep 1, 2019, I wrote an email to the CM of Bihar and several other departments regarding the issue. I received a reply from BIHAR STATE POWER HOLDING COMPANY LTD that this will be resolved shortly.</p> <p>It has been 4 months passed for the reported issue. The issue is not resolved yet. I have only received phone calls from various people for knowing the status. I need to know the reason behind the delay.</p>
