**ORDER**

**Grounds of Appeal**

The Appellate Authority has received an online Appeal bearing number PGCIL/A/E/20/00014, dated 3<sup>rd</sup> April'20 from Sh. Manish Sharma. Earlier, the appellant herein had filed an online RTI application bearing number PGCIL/R/E/20/00095, dated 28<sup>th</sup> February'20, with the CPIO Corporate Centre, seeking information related to recruitment of ET 24<sup>th</sup> Batch in POWERGRID. The instant appeal has been filed by the appellant on the ground that CPIO has not provided the requisite information to him.

**Decision**

On receipt of the appeal, relevant papers and information provided by the CPIO vide letter dated 16th March 2020 were perused. It can be seen that vide his RTI application dated 28<sup>th</sup> February 2020, the appellant had asked for information related to vacant seats, substitute offers in case a candidate resigns during

classroom training and validity of panel. It appears that while information related to vacant seats and substitute offer was provided but no information regarding validity of panel was provided. Hence, the instant appeal. It is pertinent to mention that the appellant in his appeal has also sought information related to waiting list pertaining to ET batch 2019 which we are unable to understand in its current form, though this information was not sought by him in his RTI application dated 28<sup>th</sup> February 2020.

Be that as it may, in my considered opinion the all information but for the information related to validity of the panel has already been provided to the appellant. The information regarding validity of the panel falls within the ambit of information as defined under section 2 (f) of the RTI Act, 2005 and the same does not fall within the exemptions mentioned under the Act.

In view of the same the CPIO is hereby directed to provide information related to validity of panel within 10 days of this order to the appellant.

The appeal is accordingly disposed of.
